

Michelle Tanner, RPA® Portfolio Manager

Michelle has served as a professional commercial property manager for the last twelve years. Her management experience includes hi-rise office, medical office, commercial association management, retail and low income housing. Over the past three years Michelle has managed a portfolio of five buildings for Clinica Health Services, a non-profit health care provider for low cost health care to the communities in which their clinics are located.

Prior to joining Coldwell Banker Commercial, Ms. Tanner worked for Axis Commercial Realty, Inc., Colorado & Santa Fe Real Estate and Colliers Bennett & Kahnweiler. Her diverse experience with conflict resolution, tenant relations, lease analysis and construction project oversight is a great asset to both tenants and property owners.

Before entering the commercial property management industry, Ms. Tanner worked as a Medical Assistant for a geriatric satellite clinic for Presbyterian/St. Luke's Hospital in Denver.

Michelle received her RPA® (Real Property Administrator) designation through BOMA in 2006 and has been active in the local Building Owners and Managers Association (BOMA) chapter. She also holds a Colorado Real Estate Broker's license.
